PROFILE SUMMARY

MERN Stack Developer with 8+ months of hands-on experience in building responsive, component-based web applications using React.js and JavaScript. Skilled in creating user-friendly interfaces with a strong focus on UI/UX optimization and performance enhancements. Experienced in deploying applications on Hostinger using FTP and File Manager, and proficient in developing custom admin panels to streamline client interactions and database connectivity. Demonstrated expertise in RESTful API integration, debugging, troubleshooting, and collaborative development in team-oriented projects. Fluent in front-end technologies such as HTML, CSS, and JavaScript, with foundational knowledge in backend development using Node.js and MongoDB.

WORK EXPERIENCE

Cyberathon

2024 - PRESENT

React Js Web Developer

- Completed a 8-month internship, including 3 months of intensive training in React.js, JavaScript, and front-end development fundamentals.
- Contributed to live projects in the last 3 months, building responsive components and interfaces, integrating RESTful APIs, and participating in code reviews to ensure quality and consistency.
- Gained hands-on experience in debugging, troubleshooting, and enhancing application performance for a seamless user experience.
- Collaborated with team members in developing, testing, and deploying features, gaining practical skills in project workflows and version control.
- Deployed web applications on Hostinger utilizing FTP and File Manager for efficient file management.
- Developed a custom admin panel from scratch to support client upgrades and ensure seamless database connectivity.

2024

PROJECTS

Global Suntec Solutions

React Js Web Developer

- Developed a responsive blog and contact page using HTML, CSS, JavaScript, and React, focusing on a user-friendly interface and efficient component management.
- Integrated a contact form with backend API for email notifications, enhancing functionality and user engagement.
- Helped to build in every components of this project
